Notices

DPS Cannot guarantee the records you obtain through this site relate to the person about whom you are seeking information. Searches based on names, dates of birth and other alphanumeric identifiers are not always accurate. The only way to positively link someone to a criminal record is through fingerprint verification.

The registry contains information as reported by the law enforcement agency that served as the offender's last Texas registration authority. Registrants who leave the state will have their last reported state/country of intended residence reflected in the address portion of their record. Registration information will remain on the web site until the duty to register has expired or other relief allowed by statute is granted. (Art. 62.101 and 62.251 Tx CCP)

Reported Information Not Verified

The reported information has not been verified by the local law enforcement authority. This information reflects data reported at the time of initial registration. This record indicates the offender is registered as a sex offender, but the Department of Public Safety has not received confirmation that the offender appeared before the local law enforcement agency to verify their registration. An offender's residence cannot be confirmed until the offender reports to the local law enforcement agency to be verified. If you encounter this offender, please report this to the local law enforcement agency in your area immediately.
